

RealEC.com

Finally. Exactly the right connections, exactly when you need them. From title & escrow and anything in between.

RealEC enables lenders and brokers to order real estate-related products and services online, from one convenient site. You can easily order multiple products at the same time, without needing to re-key property, or borrower information, thus speeding up the ordering process and saving you valuable time.

All from the comfort and convenience of your own production system, loan origination system, or over the internet. Without ever leaving your desk. RealEC provides an effortless, stable channel for conducting safe, secure transactions online, and on time.

Benefits of using RealEC

ONE LOCATION – Order and receive real estate-related services from multiple providers all in one convenient place. One Stop Shop.

INSTANT ACCESS – View and print documents and reports at any time, from any computer with Internet access.

ELIMINATE ERRORS – When you place an order, you can easily add other services without re-keying property, buyer, and seller information, thus avoiding potential errors.

SAVE TIME – Fast transfer of data from your system to ours speeds up ordering, processing, and delivery of settlement services.

ONLINE ORDERING – Order from any computer with Internet access 24/7.

SHARE DOCUMENTS – Share password-protected documents with your clients over the Internet.
