

Dustin, I want to personally thank you for all your hard work and dedication to our projects. Being in this business for 12 years I am always reluctant to align myself with new partners and I must say you have exceeded my expectations every time. I not only speak for myself, I know Geoff Rooker and Matt Belmont feel the same. You and Bernie make a great team and are a huge asset to Fidelity, I hope they know it; you guys are definitely first class. I will continue to push for the rest of the office to use you.

Thanks again,

Avery Maxwell

I've been using Fidelity National Title for about 4 months now, and my experience has been tremendous! Every transaction brings new challenges, and my sales rep and escrow officer at Fidelity have made my transactions very successful. They make my clients happy, which makes me happy. The customer service is top notch, and that is by far the most important characteristic you can have in this business.

Thank you!
